

Table of Contents

| | | | |
|--|----|---|----|
| Introduction..... | 6 | Available MySQL Client Software..... | 47 |
| What this course is about..... | 7 | The MySQL Features..... | 48 |
| Database Fundamentals..... | 8 | MySQL 4.1 Features..... | 49 |
| A Brief History of Databases..... | 9 | MySQL 5.0 New Features..... | 51 |
| Relational Databases..... | 10 | MySQL Roadmap..... | 53 |
| Database Tables..... | 12 | Installing & Configuring a MySQL Server..... | 54 |
| Database Keys..... | 14 | MySQL Installation for Windows..... | 55 |
| Primary & Foreign Keys..... | 16 | The MySQL Server Instance Configuration Wizard..... | 57 |
| Database indexes..... | 19 | Starting and Stopping MySQL under Windows..... | 69 |
| Relationships and Referential Integrity..... | 21 | MySQL Installation for Linux/Unix..... | 70 |
| Database Normalization..... | 24 | Starting and Stopping the MySQL Server..... | 73 |
| What is Normalization?..... | 25 | Exercises..... | 75 |
| First Normal Form..... | 26 | Using MySQL Clients..... | 76 |
| Second Normal Form..... | 33 | Client Overview..... | 77 |
| Using Normalization..... | 34 | Using Command-Line Clients..... | 79 |
| MySQL Overview..... | 35 | Specifying Connection Parameters..... | 81 |
| MySQL & MySQL AB..... | 36 | Connection Examples..... | 86 |
| MySQL Dual Licensing..... | 37 | Using Client Option files..... | 88 |
| MySQL Software..... | 41 | Exercises..... | 89 |
| Supported Operating Systems..... | 44 | Using the mysql Client..... | 91 |
| MySQL Versioning..... | 45 | Interactive Usage..... | 92 |

| | | | |
|--|-----|--------------------------------------|-----|
| Interpreting mysql Prompts..... | 94 | Adding Columns to a Table..... | 143 |
| Using Scripts with mysql..... | 96 | Removing Columns from Tables..... | 145 |
| Controlling mysql Output Formats..... | 97 | Modifying Columns in a Table..... | 146 |
| Other mysql Usage Notes..... | 99 | Other Table Alteration Commands..... | 148 |
| Exercises..... | 102 | Exercises..... | 149 |
| Using mysqlimport & mysqldump..... | 104 | Creating and Dropping Indexes..... | 150 |
| Using mysqlimport..... | 105 | Creating Indexes..... | 152 |
| Using mysqldump..... | 110 | Removing Indexes..... | 153 |
| Exercises..... | 115 | Exercises..... | 154 |
| Other MySQL Clients..... | 116 | Enforcing Referential Integrity..... | 155 |
| The MySQL Query Browser..... | 117 | Exercises..... | 158 |
| MySQL Connectivity Drivers..... | 118 | MySQL Data Types..... | 159 |
| Using SHOW and DESCRIBE..... | 119 | Understanding MySQL Data Types..... | 160 |
| The SHOW and DESCRIBE Statements..... | 120 | Integer Data Types..... | 161 |
| SHOW Statements..... | 121 | Floating Point Data Types..... | 163 |
| Exercises..... | 123 | String Column Types..... | 166 |
| Data Definition Language..... | 124 | CHAR and VARCHAR Column Types..... | 167 |
| What is DDL?..... | 125 | The BLOB and TEXT Column Types..... | 169 |
| Table/Database Naming Syntax..... | 127 | The ENUM and SET Column Types..... | 171 |
| CREATE and DROP DATABASE Statements..... | 128 | The DATE Column Type..... | 173 |
| Using the CREATE TABLE statement..... | 130 | The TIME Column Type..... | 174 |
| Exercises..... | 138 | The DATETIME and YEAR Type..... | 175 |
| Using the DROP TABLE Statement..... | 140 | The TIMESTAMP Type..... | 176 |
| Using the ALTER TABLE Statement..... | 142 | Column Options Review..... | 178 |

| | | | |
|--|-----|---|-----|
| The AUTO_INCREMENT Column Option..... | 180 | SQL Expressions and Functions..... | 220 |
| Automatic Type Conversion..... | 182 | What are Expressions and Functions?..... | 221 |
| Exercises..... | 184 | Character Expressions and Functions..... | 222 |
| The SELECT Statement..... | 186 | Numeric Expressions & Functions..... | 225 |
| About the SELECT Statement..... | 187 | Date & Time Functions..... | 227 |
| Overall SELECT Syntax..... | 188 | Adding & Subtracting Dates..... | 229 |
| Selecting Values to Display..... | 189 | Examples..... | 235 |
| Exercises..... | 193 | Exercises..... | 236 |
| Restricting Selections Using the WHERE Clause..... | 194 | Pattern Matching using LIKE..... | 237 |
| Exercises..... | 197 | Exercises..... | 239 |
| Using ORDER BY to Sort Query Results..... | 198 | Using IF() Statements..... | 240 |
| MySQL Natural Sort Order..... | 201 | Using the IN() Statement..... | 241 |
| Exercises..... | 203 | Comments in SQL Statements..... | 242 |
| Limiting a Selection Using LIMIT..... | 204 | Exercises..... | 244 |
| Exercises..... | 206 | Understanding NULL Values..... | 245 |
| Computing Summary Values..... | 207 | Updating Tables Using SQL..... | 247 |
| Exercises..... | 210 | The INSERT Statement..... | 248 |
| Using the GROUP BY Clause..... | 211 | Exercises..... | 250 |
| Exercises..... | 213 | The REPLACE Statement..... | 251 |
| Using the HAVING Clause..... | 214 | The UPDATE Statement..... | 254 |
| Using DISTINCT to Eliminate Duplicates..... | 215 | The DELETE and TRUNCATE TABLE Statements..... | 255 |
| Exercises..... | 216 | Exercises..... | 256 |
| Using UNION to Join SELECT Results..... | 217 | Joins..... | 257 |
| Exercises..... | 219 | SELECT from Multiple Tables..... | 258 |

| | | | |
|----------------------------------|-----|-----------------------------------|-----|
| The Inner Join..... | 259 | Importing and Exporting Data..... | 272 |
| Exercises..... | 262 | Using LOAD DATA INFILE..... | 273 |
| Outer Joins..... | 263 | Exporting Data..... | 276 |
| Table Aliases..... | 265 | Modifying Datafile Format..... | 277 |
| Exercises..... | 266 | Exercises..... | 279 |
| Derived Tables & Subqueries..... | 267 | Questions?..... | 280 |
| Creating & Using Views..... | 269 | Where to Get Help..... | 281 |
| Exercises..... | 271 | | |
